

YONKERS FEDERATION OF TEACHERS WELFARE FUND

NOTICE OF AMENDMENT TO PLAN

EFFECTIVE JULY 1, 2026

The Trustees of the Yonkers Federation of Teachers Welfare Fund (“Welfare Fund”) are pleased to announce that effective July 1, 2026, the eligibility rules of the Welfare Fund’s Plan have been amended to be consistent with those of the School District’s NYSHIP basic health plan.

Specifically, the definition of “children” has been changed to provide coverage to natural children, adopted children, stepchildren and children of domestic partners until age 26, irrespective of student, marital or residency status. In addition, the Welfare Fund will also cover “other” children who are financially dependent on and reside with the covered member.

Attached for your reference are the Welfare Fund’s updated eligibility rules which reflect these changes. This language replaces that found in the Fund’s current Benefits Booklet.

If you have any questions, please contact the Welfare Fund’s third-party administrator, Daniel H. Cook Associates at _____.
